DATA SCIENCE IMMERSIVE

INSTRUCTOR CODE CHALLENGE

WELCOME

Please review the dataset and answer the questions provided.
Thanks,

GA + the DSI Instructional Team

INSTRUCTIONS

1. Click here to view the questions.
2. Copy/download the notebook.
3. Save it as a new .ipynb file.
4. Input your answers.
5. Copy your notebook code into a Github Gist.
6. Send us the link to your Gist.

NOTES
- You must use the dataset provided.
- Please don't change the initial parameters; begin by importing pandas.
- You will need to render your notebook for submission. Github Gists are preferred.
